New RouterBOARD products

At the MikroTik User Meeting in Budapest, MikroTik will announce more than ten new products, never seen before. A SOHO AP, SFP fiber device and others.

MUM visitors will be the FIRST to learn about these devices, and more - the devices will be available on a demo table, so you will be able to see them in operation. Do not miss this opportunity to see what's coming this year, for example this mystery device:

Training before the MUM

Now is your last chance to sign up for the RouterOS training classes before the MUM, sign ups close soon. Please contact the training organizers for more information. There are nine training classes planned:

-> **More info on our training site.**

More exhibitors than ever

For the MUM Hungary, we have more Exhibitor tables than we ever had. Currently we have 32 exhibitors, and more are signing up. Come to the MUM to meet the biggest MikroTik partners of the region, and to see their products. Product samples, live demos and more:

Presentations at the MUM

The workshops and presentations have always played a major role in our MUM events, here are some of the highlights:

"**RouterOS v5 released**" by Janis Megis (MikroTik , Latvia). The new version of RouterOS includes many improvements and features, Janis will demonstrate what has been done, and what is yet to come.

"**RouterOS v5 wireless features**" by Uldis Cernevskis (MikroTik, Latvia). Uldis will introduce Nv2, a new wireless TDMA protocol and other improvements in RouterOS wireless package.

Full list of presentations is here:
http://mum.mikrotik.com/2011/HU/agenda

Register now!

We have re-opened the free registration.
Remember that either Free or Paid registration is mandatory for all attendees, register now and don't forget to print the ticket: **http://mum.mikrotik.com/2011/HU/info**

Meet our sales department

If you want to become a distributor of MikroTik products, become a training partner, have questions about orders or simply wish to meet your favorite member of our sales team - e-mail them to sign up for a sales meeting.

This is your chance to clarify things in person. Sales meetings take place the whole day, for both days of the MUM event.
